## About the Department of Education

The Department of Education, University of Malakand believes in providing quality education to the young generation to enable them to play their role in the national and international arena as creative, reflective, honest, responsible, and competent professionals. The department offers 5-degree programs in education, and organizes seminars, workshops, and educational conferences.

## Scope of the Conference

The Department of Education is thrilled to extend a warm invitation to all participants for the 2<sup>nd</sup> International Conference, titled: **Transforming Higher Education in Pakistan**. The conference aims to bring together distinguished scientists, researchers, research scholars, educators, literary figures, peace advocates, teacher educators, and student communities from around the globe for a robust exchange of ideas. It's a platform where researchers, educators, and students can showcase their work in an environment that fosters dialogue and collaboration. The conference will feature keynote addresses, paper presentations, and dialogue on current issues in education. We are confident that this gathering will be intellectually rewarding and foster valuable collaborations among participants. The sub-themes are as follows:

1. Higher Education and Sustainability
2. Teacher Education and Professional Development
3. Religious Studies, Ethics, and Social Responsibility
4. Peace Education and Global Citizenship
5. Literature, culture, and social harmony
6. Artificial Intelligence in teaching and learning
7. Culture and sustainable development
8. Education for Sustainable Development (ESD)
9. STEM and STEAM for innovation and sustainability
